KITCHEN
STORI

Welcome...

Our designers understand the essential role that the kitchen plays in our daily lives. Increasingly we see it becoming the main focal point in our home, where family and friends gather to share meals and create memories.

We provide an extensive range of affordably stylish, high quality kitchens, all designed to inspire and allow you to express your lifestyle. We offer you everything you need to create the perfect living space with a kitchen that is uniquely yours.

Uniquely Yours

LIFESTYLE

Never before has there been more opportunity to create the ultimate kitchen, based on your lifestyle. With a myriad of choice available including various door styles, colours, textures and accessories, you can devise a space that directly reflects your personality and the way you choose to live your life. Whether you have a desire for contemporary styling or want to steep yourself in traditional comfort, your own 'personal' kitchen can be realised.

DESIGN

Not to be underestimated, the design of your new kitchen is one of the most important decisions you can make. A fusion of cabinet & appliance layout, feature accessories, colour combinations and finishes, the choices you make will affect how you enjoy your kitchen for many years to come. Luckily we offer plenty of options!

QUALITY

Quality should be an integral aspect of any kitchen you choose to purchase regardless of budget. Whether it is the construction, finish or design detail of our ranges, you can be sure that premium quality is our top priority. With this in mind you are free to concentrate on the look and feel of your new kitchen, confident that the quality is ingrained.

Storage Solutions

No matter the layout or size of your space, maximise your cabinetry with cleverly designed storage.

Our range of innovative storage allows you to achieve an organised, practical kitchen without compromising on aesthetics. From corner pull-outs and tall larders to base pull-outs and integrated waste bins, we have an ideal solution to suit your everyday needs.

Beyond the kitchen

Open plan living spaces are becoming ever more popular for the sociable, warm and open atmosphere they encourage and their multi-functional nature. Our 'Beyond the Kitchen' concept allows ease of continuity between various living zones with the introduction of complementary furniture pieces such as media units, sideboards, coffee and side tables.

Throughout the brochure you will also find fabulous examples of pantries, bootrooms, laundry rooms and home offices, all of which combine clever functionality with stunning creative design.

LED Lighting

As kitchens are increasingly performing on a multi-functional level, adequate lighting is essential. A cleverly designed lighting scheme has the power to transform a kitchen into a truly impressive space that sets the mood for cooking, dining, relaxing and entertaining. A diverse range of LED lighting options are available to ensure your kitchen design is taken to the next level in terms of both style and practicality.

Timeless Elegance

Timeless Elegance represents enduring sophistication and luxury with kitchens that will last and last. This classic collection brings traditional elements to the fore resulting in a stylish yet homely kitchen space that feels like it has always been there.

CLIFDEN

Inspired by the simple beauty of the traditional shaker design, Clifden combines a slim frame with a smooth painted finish to create something truly impeccable. A contrasting palette of muted and rich tones works harmoniously with design elements such as double panel doors, plain dresser frames, an overmantle shelf and beaded panelling to create a truly majestic kitchen space.

EXPRESS COLOURS

	Porcelain
	Light Grey
	Heritage Green
	Marine

- 1 Clifden painted Heritage Green and Porcelain. A beautiful yet functional integrated pantry features double panel doors. Worktop is Dekton Stonika Xgloss Collection Natural18c2 and backsplash is Rough Old Glass Vintage.
- 2 The VS CORNERSTONE® Maxx corner pull-out offers a functional, durable yet stylish storage solution for pots, pans and bulky cookware. Shown in Planero Lava.
- 3 Dedicated home office space in Heritage Green. Plain glazed frames and beaded panelling add character to create the perfect work environment.

Handle: K1-218 (See page 114).

1

2

- 1 Clifden painted Marine and Light Grey. Back wall features canopy with arched legs nestled between beaded panelling for authentic country style living. Multi-functional L-shaped island features end pastry bench and an integrated dining space. Worktop and splashback is Corian Antarctica.
- 2 Bookcase in Light Grey with inset Oak shelving frames the dining space.

Handles: K1-267 and K1-270 (See page 111).

- 3 A stunning recessed feature dresser which incorporates tall triple panel doors and plain glazed frames, perfect for maximising storage and displaying everyday kitchen items. Incorporate LED downlights for a soft, ambient glow.

3

DAWSON

Dawson's slim frame, sloped internal profile and v-groove detailing offers a unique design that can adapt to suit both contemporary and traditional styling. Featuring glazed doors, open shelves and a mock inframe design to create interesting focal points, Dawson is available in six stunning colours that will easily bring your dream kitchen to life.

1

EXPRESS COLOURS

	Light Grey
	Cashmere
	Dust Grey
	Indigo
	Graphite

2

- 1 Dawson Indigo kitchen featuring a long window seat with storage, spice rack, fronted extractor unit and open shelves with stainless steel rail details. Units are framed with universal moulding to create a traditional inframe look. Worktop is Dekton Bergen.
- 2 Glazed dresser unit with open shelves.
- 3 Dawson utility features a raised washing machine with handy pull-out shelf below. Other features include tall broom cupboards, laundry rail and wall unit with single glazed feature doors, open shelves and stainless steel rail.

Handle: K1-259 (See page 114).

3

1

- 1 Dawson Kitchen in Porcelain and Cashmere displaying feature plinth, open shelves and walk in pantry with wicker baskets. Worktops are Cosentino Colonial White and solid Oak timber.
- 2 A wide sideboard in Cashmere offers ample storage in the dining area and complements the kitchen perfectly.

Handles: K1-257 and K1-255 (See page 114).

1

2

- 1 Dawson Kitchen in Light Grey is complemented with a solid Oak timber worktop and open shelves. The island features wide pan drawers and an open shelf in Light Oak. Worktop is Silestone Et Statuario.
- 2 Tall larder units with single glazed feature doors.

Handles: K1-272 and K1-269 (See page 111).

2

KENSINGTON

Push the boundaries of country style living by opting for bold colours and textures as shown in this coastal retreat. With its v-groove door design, grained finish and array of accessories, Kensington is ideal for those seeking a stylish, yet durable kitchen for busy family lifestyles.

EXPRESS COLOURS

Graphite

- 1 Kensington in Light Grey & Dust Grey featuring compact multi-purpose island. Worktop is Silestone Nubula Halcyon and backsplash is Hoxton White Gloss Porcelain tiles.
- 2 Feature glazed frames with modern cornice detailing.
- 3 VS COR® Flex corner pull-out is an effective solution for organising bulky pots and pans, offering a load capacity of 8kg per shelf. Shown in Saphir Platinum.
- 4 Optimise narrow spaces with the VS SUB® Larder base pull-out. Featuring easy access storage for cans, jars and bottles. Shown in Saphir Platinum.

Handles: K1-357 and K1-358 (See page 115).

- 1 A walk-in pantry featuring a stylish mix of open shelving and base units.
Under shelf LED strip lighting makes for a practical addition in a darker, smaller space.
- 2 Complementary coffee table in Light Grey.
- 3 A clever use of space in this entrance hallway with an integrated bench seat which provides additional storage.

1 A spacious Kensington kitchen in Indigo featuring a solid Oak open shelf and large island with breakfast bar. Also includes tall cabinets with integrated fridge and freezer. Worktops are Dekton Aura15.

Handles: K1-255 and K1-257 (See page 114).

2 Cosy dining area makes the perfect space for family living and entertaining friends.

- 1 Kensington in Cashmere creates a warm cosy feel to this compact kitchen. Worktop is solid Oak timber.
- 2 A tall dresser unit creates the perfect larder. Extra storage is provided with decorative open shelves.
- 3 A beautiful console table complements the kitchen providing decorative and practical storage.
- 4 Adding an underplinth below the doors, enhances the overall streamlined design of this shaker range.

Handle: K1-259 (See page 114).

- 1 Kensington kitchen in Graphite featuring simple linear styling. Worktop is Dekton Sirocco.
- 2 Coffee table in Graphite complements the kitchen.

Handle: K1-279 (See page 118).

- 1 Stylish freestanding sideboard in the dining area with brushed chrome legs.
- 2 Kensington Porcelain featuring tall larder units and central island. Worktop is Silestone Snowy Ibiza.

Handle: K1-279 (See page 118).

Furniture Legs: Brushed Chrome (See page 120).

ALDANA

The stunning simplicity of the Aldana shaker style door is accentuated by its narrow frame for a decidedly modern look. This door is accompanied by a host of accessories that will expand your design options to create a kitchen that meets all your expectations.

- 1 Aldana kitchen painted Marine and Stone featuring worktops Dekton Valterra Ultra Compact (island) and Dekton XGloss Tundra Ultra Compact (base units and dresser).
- 2 A welcoming entrance with cloak and bootroom featuring seating and storage.
- 3 Dresser displaying glazed frames and drawers with an acute angled cornice.
- 4 Island featuring under plinth and narrow pilasters to create a 'framed' look. Also shows walk in pantry featuring base units and open shelves painted Stone.

Handles: K1-195 and K1-198 (See page 113).

1

1 Aldana kitchen painted Light Grey. Also shows use of universal pilaster to create an 'inframe' look and plain glazed frames on worktop dressers and on top of the larder unit on far right. Worktop is Dekton Entzo Ultra Compact.

Handle: K1-210 (See page 114).

1 Aldana kitchen painted Dust Grey. Features suspended island supported by chunky posts. Worktop is Silestone Eternal Charcoal Soapstone quartz on island and Silestone Eternal Serena quartz on back run.

Handle: K1-206 (See page 112).

1

JEFFERSON

The ornately constructed Jefferson door with its moulded, raised centre panel will bring your rural space to a different level. Available in Light Oak and Ivory with a large range of specially appointed accessories, the number of design possibilities are endless with this classically elegant kitchen.

EXPRESS COLOURS

- 1 Jefferson in Light Oak and Ivory combines lots of rich tones and textures creating a feeling of cosiness and homeliness. Worktops are Dekton Milar.
- 2 Dresser with solid Oak wine glass holder and wine rack.
- 3 Extra storage and seating are cleverly incorporated with cushioned window seats.

Handles: K1-214 and K1-218 (See page 114).

MADISON

Effortlessly chic and stylish, the Madison shaker door with v-groove makes an impressive statement with its simple detailing and selection of accompanying designer accessories. Classic in both function and form Madison will fit happily into any sized space to bring you a kitchen that works hard and looks fabulous.

- 1 Madison kitchen in Light Oak and painted Ivory featuring a working overmantle and open shelves in Light Oak to complement the elegant island. Moulded skirting plinth and traditional cornice combine to add opulence to this classic kitchen. Worktops are Silestone Et Calacatta Gold.
- 2 This magnificent dresser/media unit is the perfect solution to complete this traditionally styled, open plan living space.

Handles: K1-268 and K1-271 (See page 111).

Dust Grey
Marine

1

- 1 For a traditional look with a modern twist, opt for a mock inframe style. You can also introduce a funky floor design using a multi coloured geometric pattern.
- 2 Madison kitchen painted Light Grey with Dust Grey island unit. Also shows open display wall shelving with decorative brackets. Island is embellished with feature end panels. Worktops are Dekton Valterra Ultra Compact (back run) and Silestone Kensho quartz (island).

Handle: K1-206 (See page 112).

1

2

- 1 Madison kitchen painted Porcelain and Marine is used to create a modern twist to a traditional setting. Window seats make a stunning and practical storage solution. Worktop is Dekton Kovik.
- 2 Sideboard featuring moulded skirting plinth.
- 3 The T&G feature on the compact island with breakfast bar and open shelves in Light Oak is reflected on the wall run to enhance the simplistic styling of the Porcelain units.

Handles: K1-256 and K1-258 (See page 114).

3

2

WAKEFIELD

Often seen in a more traditional setting, Wakefield is successfully used here to add a more eclectic look and feel to this contemporary open plan living space. Open shelving features heavily to add practical and decorative storage and gives this modern area a sense of warmth and homeliness.

1

EXPRESS COLOURS

2

- 1 Wakefield kitchen painted Marine creates a dramatic element to this modern rural home. Make a real statement with tall triple panel doors, functional as well as beautiful. Worktop is Caesarstone Supernatural 5143 White Attica.
- 2 This sideboard painted Marine shows off the beautiful grain finish and beaded profile of the Wakefield door.

Handle: K1-277 (See page 118).

Contemporary Chic

Created without compromise, the contemporary collection provides a dream setting for those who appreciate the benefits and beauty of ergonomic design. Usually occupying a bright and airy space and using stylish finishes and minimalist features, we show what is needed to build your modern paradise.

ALDANA

The sophistication of the Aldana door is given a dynamic injection of colour to create a decidedly modern look. Its painted grained finish and narrow framed shaker style door in rich Heritage Green works in harmony with contrasting textures such as marbled stone, natural wood and exposed brickwork.

- 1 Aldana Heritage Green kitchen featuring triple panel doors, open shelving and a multi-functional island with integrated seating, perfect for dining or entertaining. Worktop and backsplash is Calacatta Borghini marble slab.
- 2 A twin VS TAL® Gate Pro pantry will provide added visibility and accessibility with door mounted shelves and in cabinetry pull-out shelves. Shown in Planero Lava.
- 3 VS COR® Flex corner pull-out in Planero Lava, suitable for storing larger cookware and mixer appliances.
- 4 Maximise narrow spaces with a VS SUB® Slim base pull-out in Planero Lava, conveniently located beside the range for easy access to cooking essentials.

Handles: K1-330 and K1-331 (See page 116).

EXPRESS COLOURS

Graphite

- 1 Keep everyday items concealed with clever hallway storage that blends beautifully with other areas within the home. Featured T & G panelling lends to the rustic country styling.
- 2 Custom built full height media wall featuring glazed doors and decorative shelving.
- 3 A hidden home office with bespoke pocket doors.

Handles: K1-330 and K1-331 (See page 116).

- 1 Aldana painted Light Grey and Graphite. Create perfect symmetry with Light Grey tall height units and integrated ovens on opposing sides of the hob area. Oversized island in Graphite creates a focal point which offers additional seating, a preparation area with integrated sink and feature glazed frames. Worktop and upstand is Calacatta Moonlight.
- 2 In keeping with the true hallmarks of Victorian architecture, opt for an integrated window seat and pair with parquet flooring, a bold contrast to the modern worktop and stark colour palette.

Handles: K1-363 and K1-364 (See page 116).

- 3 Opt for feature glazed feature doors and LED under cabinet lighting for a touch of warmth. Extra wide drawers at the hob area provide easy access to large pots and pans.
- 4 Compact recessed workstation in Light Grey with accompanying tall height cabinets for maximum storage. Desktop and shelving is Lapidia Calacatta Moonlight Marble Slab.

HARBORNE

Thanks to the unique design of the Harborne range, it flawlessly fuses with the endless design opportunities split level living offers. Natural materials provide a magnificent contrast with the deep rich hues of Heritage Green.

EXPRESS COLOURS

- 1 Harborne Heritage Green featuring extra wide pan drawers lend to the overall, linear streamlined look in this contemporary space. Recessed bench seating and feature glazed doors utilises every inch of space and adds to the overall aesthetics. Worktop and backsplash is Dekton REM in White. Panelling on island is Egger Light Grey Chicago Concrete.
- 2 Modest walk-in pantry features open Oak shelving and ample base unit storage, making everyday items easily accessible.
- 3 A stylish, functional home office featuring plain glazed frames and LED lighting.
- 4 A cosy snug area cleverly designed to maximise storage in even the smallest of spaces.

- 1 A contemporary twist on the classic shaker, Harborne's painted grained finish and integrated handle design works exquisitely in this small, contemporary space. Features glazed doors and open shelving. Worktop is Egger Anthracite Jura Slate. Backsplash is Black Alalpardo tiles.
- 2 VS TAL® Larder pull-out in Planero Lava keeps oils, vinegars and cooking ingredients out of sight, yet close at hand.
- 3 The multi-compartment VS ENVI® Space XX Pro pull-out bin allows for instant waste segregation. Shown 88L in Lava Grey.

- 4 Don't let small spaces limit your design possibilities. Incorporate a bespoke bar area to include tall cabinets, an integrated wine cooler and glass holders; a luxurious addition to modern day living.
- 5 The VS TAL® Gate pull-out larder provides maximum storage and easy access where one pull reveals the entire contents of the cabinet. Shown in Planero Lava.
- 6 An ergonomically designed Home Office provides a neat workstation with ample storage while complementing other areas in the kitchen/living space.

Furniture Legs: Brushed Chrome (See page 120).

- 1 This Harborne kitchen painted Light Grey makes a feature of the original fireplace by adding base units in the alcoves. Worktops are Dekton Splendor and solid Oak timber.
- 2 Harborne's sleek linear design is accentuated here with the use of wide pan drawers throughout the island and in the chimney breast alcoves.
- 3 Tall units provide ample storage and cleverly house the fridge and freezer to retain a sleek and linear look.

KENSINGTON

The perfect example of how a small L-shaped kitchen can create maximum impact. Kensington in rich Heritage Green is beautifully paired here with brass metallic accents. Available in 9 trendsetting colours, this shaker style door features a stunning grained finish and v-groove detailing for added depth.

2

3

- 1 Tall larder units and snug bench seating with drawer storage are ideal features where space is at a premium. Worktop is 5101 Empira Black, backsplash is Brass finish.
- 2 Symmetrical paired drawer packs surround the oven with microwave and warming drawer. Floating wall units help to create a more open space while housing the built-in extractor.
- 3 Transform your hallway into a practical but welcoming space. Bench seating and drawer storage is finished off beautifully with wall panelling for extra character.

Handles: K1-382 and K1-383 (See page 117).

CLIFDEN

A simple shaker design with an ultra-modern twist, Clifden takes flair and panache to the next level through a bold colour choice, industrial styling and a rich brass handleless rail. The stunning room architecture creates a seamless transition from the indoors to the outdoors and naturally accentuates the Heritage Green paint colour.

EXPRESS COLOURS

	Porcelain
	Light Grey
	Heritage Green
	Marine

- 1 Clifden painted Heritage Green. Features Handleless rail system in a contrasting rich metallic brass finish. Worktop is Dekton Natural Collection Rem (back run) and solid Oak (island).
- 2 Floor to ceiling tall housing with integrated oven tower for a streamlined look.
- 3 Continue with the streamlined look with uninterrupted lines on the multi-functional island unit.
- 4 Contemporary room architecture beautifully merges the outdoors with the indoors through the inclusion of a quirky window hatch, perfect for alfresco dining and entertaining.

Handleless Rail: Brass, other finishes available (See page 120).

DAWSON

Dawson perfectly occupies this townhouse setting and proves that small spaces don't have to compromise on design. It's narrow frame, v-groove detailing and durable smooth foil finish creates the ideal balance of style and practicality. Choose from six stunning colours and a variety of accessories to create a modern, chic living space.

- 1 Dawson kitchen in Graphite. Feature glazed frames and a contemporary breakfast bar design creates the illusion of more space. Worktop and splashback is Kronospan Dark Terrazzo Marble Postformed SU K102.
- 2 Full height units and recessed feature frames with accompanying worktop space works as a striking yet functional addition to the main kitchen area.
- 3 With quick and easy height adjustable shelves, the VS TAL® Gate is great for storing dry packaged food, jars, cans and bottled goods. Shown in Premea Lava.
- 4 Make optimum use of narrow spaces with the VS TAL® Larder. Attached to the door all contents can be viewed from either side. Shown in Premea Lava.

Handle: K1-391 (See page 119).

EXPRESS COLOURS

VS CORNERSTONE® Maxx in Premea Lava

VS CORNERSTONE® Maxx in Planero Lava

TALL LARDER PULL-OUTS

Gone are the days of digging through or emptying your cabinet to find what you need. Clever pull-out larders offer practical storage, showcasing all items in seconds as multiple shelves are transported out with one pull. Smooth and silent closing ensures no rattling of contents.

VS TAL® Larder

VS TAL® Larder in Saphir Platinum features powder coated Platinum mesh wire

VS TAL® Gate

VS TAL® Gate in Premea Lava features powder coated Lava rail with Lava base

VS TAL® Gate Pro

VS TAL® Gate Pro in Platinum/White features powder coated Platinum rail with White base

VS TAL® Larder

Fixed to the door this elegant larder system offers impressive storage capacity for tall slim cabinets. Incorporating a full extension central runner you get full visibility of the shelves from both sides. Opt for Power assisted opening and the larder will continue to open automatically with one gentle pull.

- Load capacity, 80kg (16kg per shelf),
- Finishes available: Saphir Platinum, Premea Platinum/White, Premea Lava, and Planero Lava

VS TAL® Gate

The VS TAL® Gate pull-out larder provides maximum storage and easy access where one pull reveals the entire contents of the cabinet.

- Load capacity, 75kg (15kg per shelf)
- Finishes available: Premea Platinum/White, Premea Lava, and Planero Lava

VS TAL® Gate Pro

The VS TAL® Gate Pro packs storage into the cabinet as well as the door for optimal utilisation of space and easy access to items.

- All shelves open simultaneously to easily locate items
- 5 height adjustable shelves on door and in cabinet can be changed to suit various items
- High load capacity, cabinet 100kg (20kg per shelf), door 25kg (5kg per shelf)
- Finishes available: Premea Platinum/White, Premea Lava, and Planero Lava

VS TAL® Gate in Planero Lava features powder coated steel sides with Lava base

BASE PULL-OUTS

VS SUB® Slim and VS SUB® Larder

The VS SUB® Slim and VS SUB® Larder offer a flexible solution for narrow spaces, making maximum use of space in kitchen designs.

Attached to the door the two shelves slide forward on a central runner, giving access from both sides. Integrated soft closure as standard ensures no rattling with a smooth and silent motion.

VS SUB® Slim

VS SUB® Slim in Planero Lava features Lava powder coated steel sides and Lava MFC base. Also available in Premea Platinum and Premea Lava.

VS SUB® Larder

VS SUB® Larder in Saphir Platinum features powder coated Platinum mesh wire. Also available in Premea Platinum/White, Premea Lava and Planero Lava.

PULL-OUT BINS

VS ENVI® Space XX Pro

Even waste needs space! Integrate your bin into your cabinets with the VS ENVI® Space XX Pro collection. Offering the perfect solution with a choice of widths and generous bin capacities.

- Full front and rear bin accessibility in one simple motion
- Easy access handles on each bin compartment for effortless removal
- Automatic soft closing mechanism
- Bin compartments utilise the full width of cabinet maximising capacity
- Various capacities available, up to 88 litres

VS ENVI® Space XX Pro 88 litre, featuring 2 x 44 litre bins suitable for 600mm wide cabinets

VS ENVI® Space XX Pro 32 litre capacity option, suitable for 300mm wide cabinets

VS ENVI® Space XX Pro in 85 litre, featuring 2 x 32 litre bins plus 1 x 21 litre bin suitable for 600mm wide cabinets

LED Lighting

A carefully considered kitchen lighting scheme can completely transform the look and feel of your space. From prepping a meal for the family, to entertaining friends around the table, your choice of lighting not only sets the mood, but it can also enhance key design features within the kitchen itself. We offer a range of LED lighting solutions to meet both your practical and aesthetic needs.

COLOUR TEMPERATURES

LED's are available in two colour temperatures, Warm White and Natural White. The colour you choose can have a major impact on the overall look and feel of your kitchen space.

Warm White emits a yellow tone and naturally brings out the softer tones in painted kitchens with timber worktops and traditional tile finishes.

Natural White gives a cool crisp effect and enhances more modern kitchens with gloss, concrete and stainless steel finishes.

TASK LIGHTING

Sufficient lighting is a must in task based areas where hobs, sinks and even worktops are in use, as this aids safe cooking, washing and prepping. A range of LED options are available in aluminium and an on-trend matte black finish.

Under cabinet LED lighting in a trendy matte black finish transforms open oak shelving into a unique design feature.

MOOD LIGHTING

Lighting that creates ambience in a kitchen setting can provide the most stunning effect and can transform a kitchen space better than anything else. Opt for recessed LED lighting under worktops, concealed above wall cabinets or even along the bottom of base units.

Effective under cabinet lights used in open shelves and cabinetry combined with LED strip lighting installed underneath the worktop surface of an island are clever ways to create the perfect atmospheric mood.

CONVENIENCE LIGHTING

Combine beautiful, functional lighting with everyday practicality through a range of switches and control modules for ultimate convenience. Choose from a range of wireless touch switches or control lighting from your smartphone via a Wifi app, or through voice control systems such as Amazon Echo or Google Home.

Handle Choices

Choosing the right handles is a small but all-important decision that will transform your kitchen's appearance. Consider the variety of finishes, from luxurious brass and chrome to the neutral warmth of nickel or the stark contrast of black. Embrace the diverse design options with round or square knobs; shapely cups and textured bar handles to name a few. Whether you are aiming for timeless elegance or that contemporary chic aesthetic; our extensive range will ensure your vision is brought to life.

KITCHEN CARE & MAINTENANCE

With appropriate care and maintenance, our kitchen doors and components are designed to provide years of reliable service. To keep it in the best possible condition, please follow the simple guidelines below.

Kitchen frontals are designed for domestic use, we recommend that each area / cabinet in the kitchen is maintained within domestic temperature and humidity levels. We recommend a temperature range of 16°C - 24°C and a relative humidity range of 40% to 60%.

Please note your guarantee may be adversely affected if used for non-general domestic environments.

INSTALLATION ADVICE

Pre Installation

Ensure that all new-builds or newly plastered rooms have been left to environmentally stabilise prior to the installation of new kitchen doors. Kitchen doors must not be installed in a damp, or moisture-rich environment as it will cause undesirable movement in the joints and panels of the door. A hygrometer should be used to assess conditions.

To help minimise any potential damage to the kitchen whilst you are installing it, please read and adhere to the following instructions and recommendations:

- We would advise that you make an initial check to confirm that you have the correct quantity and size of fascias; you can do this by referring to the labels attached to the outer packaging.
- Ensure that you fully inspect each individual fascia prior to attaching the hinges. Claims for damage to the fascia will not be accepted after the hinges have been attached.
- Do not stack the doors on their ends on any hard surface; this can cause chipping and scratching along the edge of the fascia, especially on the handle edge of ranges with an integral handle. Prior to fitting, the fascias should be stored flat, ensuring that they are not resting on any dirt or debris that may damage or mark the finish.
- Take extreme care when stacking the fascias with hinges attached to ensure that the hinges do not mark other fascias. Do not lean the fascias against one another, or against any surface without proper protection in-between.
- You should take extreme care not to put the door down with excessive force on any edge, especially the handle edge, as this will cause crushing/impact damage on these edges.
- If the fascias are attached to the carcass, then you should carefully remove the fascias by unclipping the hinges and storing these flat in a clean safe environment away from your working area, utilising the packing materials from the units.
- Take extreme care when unpacking the fascias and do not use sharp blades to cut away the packaging.
- Where cutting/scribing décor panels and trim, you must use a sharp quality saw blade of the appropriate grade for fine-cutting, or a suitable router. Small chips can appear along the cut-edge, and so extra care must be taken to minimise the risk of chipping. Using a blunt or inappropriate saw blade will produce a poor finish, and this will not be covered by the guarantee.
- All cut edges should be sealed against moisture ingress using a suitable water-resistant sealant/adhesive prior to installation.

- When attaching the hinges, place the fascia face down on a soft, clean surface, ensuring that there is no grit, sawdust or other matter underneath that can damage the surface of the fascia whilst the hinges are attached. It is good practice to place a sheet of clean cardboard between the fascia and the flat surface prior to attaching the hinges.
- If the hinges are ‘knock-in’ type. Use a rubber mallet to knock the hinges into the fascia without using excessive force.
- Once the hinges have been attached to a door, hang the door on the unit straight away to avoid damage. Do not stack the doors with the hinges touching other doors, as this can cause scratches or marks to the other fascias.
- *On Painted Products* - Any fine chips along the cut edge should be smoothed with a fine grade sandpaper prior to fitting.
- All trims are supplied in long lengths and need to be cut down on site, using the appropriate tools.
- When fitting the plinth, ensure that you check the dimensions of any adjacent appliances. On occasion, the plinth may need to be pulled forward to ensure that it clears the front of the appliance. This can be achieved by fitting blocks using off-cuts to the rear of the plinth prior to attaching the plinth clips, to step the plinth forward from its normal position.

GENERAL CARE

Heat & Moisture

As with all kitchen furniture the most common problems found occur due to excessive or prolonged exposure to heat and/or moisture.

- Spills and condensation on fascia should be cleaned and dried immediately. Particular attention must be paid to the sink area and wet appliances as damage caused as a result is not covered by warranty.
- Dishwasher doors should not be opened mid cycle or immediately at the end of a cycle. Damage caused by the excess steam will not be covered by warranty.
- Appliances that create steam (e.g., steamer, coffee maker, kettle, steam mop, etc) should not be placed underneath cabinets or near units where condensation may form.
- Care must be taken when washing floors and worksurfaces to prevent liquid accumulating on or adjacent to plinth and panels. These areas should be dried thoroughly after cleaning.
- Appliances that generate excessive heat such as toasters, air fryers, microwave ovens, etc, should be correctly ventilated and not placed under or near kitchen units.

Light & Colour

The colour of doors and drawer fronts may appear mismatched in colour. This apparent mismatch is sometimes the effect of differing light conditions within your kitchen, (known as metamerism). To check your doors and fascia you should place them side by side in natural daylight for comparison.

Please note that after a period of time, it is normal for the colouring of kitchen units to mellow in colour. In particular, timber & light lacquered surfaces change colour have a certain tendency to “yellow with age.” This is not a manufacturing fault and is due to exposure

to light. The product material, finish and the intensity of exposure will affect the rate of change. Due to this, we advise that colour change is taken into consideration when replacing or fitting new doors sometime after the original kitchen has been installed, as replacements may not be an exact colour match. This also should be taken into consideration when choosing colours from samples and swatches and it is therefore recommended that samples/swatches are changed regularly.

Cleaning advice for all door types including Timber, Painted, Foil & Gloss

- Periodically clean the interior and exterior surfaces of the door using a soft, damp cloth. Wipe dry all surfaces after cleaning.
- Do not use wax-furniture polish, abrasive or aggressive cleaners, bleach, or other hypochlorite (chlorine) based cleaners, multipurpose cleaners, dilutes, acetone, alcohol, solvent, or similar products on the door, as this will damage the surface; additionally wax and polishes leave a residue build up that is difficult to remove. Only use a 5% soap, 95% water (liquid soap) solution, wiping with a damp (not wet) cloth, finally drying with a soft, clean cloth only.
- Do not expose the doors or panels to temperature in excess of 60°C (140°F) (approximately the temperature of washing up water).
- Dust with a soft cloth only.
- Never use any abrasive pads or abrasive cleaners of the furniture.
- If using glass cleaner to clean your glass doors be careful not to damage the finish of the door and cabinet parts while cleaning. Do not spray glass cleaner directly on to the glass or cabinet parts as this may discolour the finish of your kitchen cabinets. Instead, spray a small amount of cleaner on to a lint free cloth or paper towel then wipe the glass.
- Ensure all cooking splashes, spills and condensation on the fascias/ panels are wiped immediately with a damp cloth; and dried immediately.
- If the surface of the product is exposed to any oil-based substance (for example olive oil, butter, margarine or cooking oil), the spillage must be wiped away immediately to prevent staining.

Foil & High Gloss Finished Doors – additional care advice

Foil/Lacquer coated products are manufactured from the highest quality materials. Your gloss doors will come with a protective film over the front. You should remove this only after they are installed as the curing process continues for around 72 hours after the film is removed. This means the doors will be liable to scratching and other marks. You should avoid cleaning the doors for at least a few days to prevent any marks appearing on the surface.

Moisture: Please be careful not to puncture the foil/melamine lacquered surface of your panels. These should be kept dry to prevent moisture ingress.

Light: If the doors are supplied with a protective film on the face they must not be directly exposed to sunlight. Once installation is complete, carefully remove the protective film from the front of the fascia.

There are a number of products available which are designed for cleaning high gloss doors, but plain water can be used for

regular cleans. Always use a lint free soft cloth and use a circular motion to achieve a high buff. Micro-fibre cloths are perfect for achieving a high shine with little effort. High gloss doors may show fingerprints, which can be easily cleaned with a soft cloth.

Sanded (raw) Doors

Cleaning: sanded products are unfinished and therefore the care of these doors will depend on the type of finish applied, e.g., paint, stain, wax etc., see above for care guidance.
