# On-Trend Kitchen Quality

## Lucente, quality J pull design kitchens

Our Lucente door is made from 22mm MDF, vacuum sealed on exposed edges, primed and then given 2 coats of polyurethane paint. We've even got a colour co-ordinated reverse, but while kitchen doors might look the same, the reality is quite different.

### LUCENTE FEATURES & BENEFITS:

- ✓ 22mm door thickness.
- ✓ Painted finishes mean your doors won't peel or bubble.
- ✓ Easy grip J pull design.
- ✓ Matching melamine reverse for design consistency.

Common problems with typical J Pull doors:

- ✗ PEELING VINYL
- ✗ BUBBLED VINYL

## Vivo, quality slab design kitchens

Vivo is manufactured from 18mm MDF and finished in the same process as Lucente. Ensure you know exactly what you're buying and how long you want it to last for.

### VIVO FEATURES & BENEFITS:

- ✓ 18mm door thickness.
- ✓ Painted finishes mean your doors won't peel or bubble.
- ✓ Sealed and painted edges.
- ✓ Matching melamine reverse for design consistency.

Common problems with typical Slab doors:

- ✗ PEELING VINYL
- ✗ CHIPBOARD

- ✗ BUBBLED VINYL
- ✗ PEELING EDGES

# Our essential colour palette

*Be spoilt for choice!*

A firm kitchen favourite, white is crisp, clean and allows you to experiment with floor and wall colours.

Another neutral colour, ivory offers flexibility, warmth and is a timeless choice.

A heritage colour, mussel is found in our traditional ranges and oozes class.

Cashmere is a popular choice and helps to add personality into the kitchen.

Sage green provides a pastel colour option and a Mediterranean vibe to the kitchen.

A huge kitchen trend in recent years, light grey is a highly fashionable choice.

A classic kitchen colour, oak embodies quality and is found in our Cambridge range.

Textured finishes are available in our Linear range with 6 colour options.

A mid grey tone, dust grey grows in popularity and is regularly used in 2 tone kitchens.

Anthracite makes a deep and dramatic statement in the kitchen and is particularly popular in matt finishes.

One of the hottest colour trends in recent years, Indigo is highly fashionable across all types of kitchen.

Lucente  
Gloss Finish

Linear Flair Tap in Chrome

Light Grey Gloss

For a sleek and contemporary kitchen, choose the ultra chic Lucente Gloss Light Grey handleless door.

This cutting-edge design offers uncompromised style whilst leading the trend; perfect for the design savvy customer.

Dust Grey & White Gloss

Dust Grey is a mid tone colour that offers both warmth and flexibility to complement and contrast with other colours in the kitchen.

Cream Gloss

Classic and chic; the Lucente Cream high gloss handleless door creates a warm and welcoming setting.

The introduction of curved doors brings with it a softer and bespoke aesthetic.

### Cashmere Gloss

A classic favourite tone, cashmere exudes warmth and class.

Consider curves to round off the edges of your island for a super contemporary feel.

### Anthracite Gloss

Create a kitchen with impact by choosing Lucente in anthracite. Lighter worktops and wall colours create a beautiful contrast.

### Fir Green Matt

Fir green is the latest colour trend in the kitchen market. Accessorise with darker tones or warm neutrals.

### Cashmere Matt

The warm tone of cashmere makes a stunning impact in a matt handleless kitchen. Bi-fold wall units add to the contemporary feeling, providing design lead functionality.

### Anthracite Matt

The darker tone of anthracite provides real depth to a kitchen, while careful planning creates minimalist lines to be proud of.

### Indigo Matt

Indigo is the hottest colour trend in kitchens at the moment, adding depth and impact, to create a space with genuine wow factor.

Dust Grey Matt

Create a kitchen with impact by choosing Lucente in Dust Grey. Lighter worktops and wall colours create a beautiful contrast.

# Kitchen Door Care Instructions

## We recommend the following door cleaning instructions for all of our doors:

- Clean the doors using only a solution of 95% lukewarm water with no more than 5% soap.
- DO NOT spray anything on to your doors, this includes the solution recommended above.
- Use a clean damp (not wet) cloth
- Dry with a soft clean cloth. If it is a timber door, run the cloth along the grain direction.
- Any cooking marks must be wiped immediately.
- Do not allow liquids to seep into joints of doors. Wipe any spillages immediately.

## DO NOT use any of the products listed below to clean the door as they may mark and damage the surface:

- Wax Furniture Polish
- Bleach / chlorine based cleaning products
- Abrasive cleaners
- Solvents
- Multi-purpose cleaners
- Alcohol based cleaners
- Ammonia or any other similar product
- Scouring pads or abrasive cloths

## Environmental Information:

Please be aware, localised or intense heat/steam can damage fascias. Subsequently the use of small appliances such as kettles, toasters etc. in close proximity to your kitchen fascias should be avoided. Doors should not be exposed to extreme temperature changes. Due to their manufacturing process, vinyl doors must not be exposed to temperatures above 70°C as this may cause damage to the door's surface.
